

Preferred Provider Network: Skilled Nursing Facilities

MyHealth First Network (MyHFN) has developed a network of post-acute providers focused on improving communication and information sharing along the continuum of care to drive successful outcomes through aligned efforts in overall care delivery. MyHFN conducted an extensive evaluation of post-acute providers to assess care delivery, quality and value alignment with the network vision of enhancing the quality of life of patients. Each preferred provider listed below has been selected based upon this criteria and are continually monitored on key quality indicators ensuring quality of care for the patients we serve.
